FROM THE
CANYON RIM

A preacher friend of ours at the age when society demanded more and gave less.

Our preacher friend is advancing in years now. He still pastors a church and is fondly referred to by his flock. He says he somehow lived through the noon time when the load was heaviest and the sun hottest. He says it was a time of wisdom getting for him and in spite of it all he has no regrets.

One day he noticed that it had been three years since anyone had called him a "preacher boy." He had arrived.

John Connally is going to

welch on his campaign promise to do all in his power to establish separate boards of regents for state schools.

We put the question to the governor last Saturday in San Antonio before the assembled publishers of the Texas Press Association.

Connally, during the late campaign, had expressed himself so much in favor of separate boards that he even had a plank to that effect inserted into the state Democratic platform.

Separate boards of regents for area colleges such as West Texas State would tend to strengthen home rule. Mr. Connally is moving swiftly away from home rule. He wants strong centralized control by boards responsible directly to the governor.

Mr. Connally declined to express his attitude toward a bill which would give West Texas State College university status. We gathered by inference that he does not look favorably on the measure, although he did not say so.

John Connally probably is the most able politician Texas has had for governor in recent years. He has looks, poise and a fine verbal delivery.

He has the ability to convince his listeners that he is making a sincere effort. He had the Texas Press eating out of his hand.

We also asked the governor to set the record straight on who did what at the Bay of Pigs during the ill-fated Cuban fiasco back in 1961.

We asked him specifically about air cover; Cuban patriots say it was promised and not given. The Kennedy family says it never was promised.

Governor Connally was Secretary of the Navy at the time and Navy ships participated.

The governor said: (1) Anything that might have gone wrong was the fault of the Eisenhower administration because the invasion was planned during his administration. (2) That he, Connally, was not familiar with circumstances surrounding the invasion. (3) That he wouldn't divulge any information about it even if it were in his possession.

Last Friday at Alamo City we heard a talk by Gen. Chester V. Clifton, military aide to President Kennedy.

I see we are to have yet another survey of education in Texas. The Governor has asked for it and the legislature is providing the money. Just how many of these "look-sees" into education we have had I am not fully informed, but I can remember three in the last 40 years. Some good has come out of each of them, but one of the things did irreparable damage to Higher Education in Texas.

Now I have great respect for Governor Connally's intelligence, patriotism, and administrative ability. I supported his campaign heartily and voted for him--I probably do it again, but I do not believe he has thought through all the aspects of Higher Education in this state. Like some other public officials and also private citizens he may think he knows the answer to too many questions.

The Governor says we need "more and better brainpower." At 85 I can't remember when we didn't. Nor do I expect that such need will ever be satisfied. Yet, it is admitted that we must keep producing "more and better," without let or hindrance, but not because many of our brightest are leaving Texas for other states. I wonder if he has checked up on the number of out-of-staters who come to Texas for their college and university education. It might be worth learning. Moreover, I dare say that a majority of the young Texans who leave the state for their education do so for reasons other than superior educational advantages.

Now, I do not want to be misunderstood. I have spent my life in Texas working for better education at all levels and I'm not quitting now. I simply mean that we do not need a survey to determine what ought to be done. We have known enough about what is needed for a long time. What we now need is to do as well as we know.

For example, in the matter of money, while I wouldn't dare

Chi Omegas Met Thursday Night

Members of Chi Omega Alumnae Chapter met on Thursday, January 24, in the home of Mrs. J. M. White, 2519 Sixth Avenue, at 7:30 in the evening.

Mrs. Rex Reeves, president, called the meeting to order, and minutes of the last meeting were read and approved. Plans were made to assist members of the active chapter in their rush

activities which are to take place in February. The group voted to skip the February meeting due to rush, and meet in the chapter room on campus at the March meeting.

Coffee and cake were served to the following members: Dr. Leta Boswell, Mrs. Reeves, Mesdames: Manley Bryan, Charles Harter, John Williams, Arch Hunsley, Frank Kimbrough, H. R. Fulton, J. Murphy White, Bill Sternberg, Philip Harper, and the hostess,

T&T Club Met Recently

The Tounge and Thimble Club held their second meeting of the year on Friday, January 25 in the home of Mrs. E. W. Schaeffer.

Mrs. Hope Wilson presented a demonstration of tufting pillows on gingham, and displayed pillows already completed. Additionally, the game "Crab" was enjoyed by those present, and two articles auctioned by Mrs. Lizzie Wesley netted a

dollar and seventy cents.

The hostess served refreshments to the following members: Mrs. Fern Wilson, Mrs. Letha Patterson, Mrs. Annie Wesley, Mrs. Lizzie Wesley, Mrs. Evelyn Shipman, Mrs. Ora Evans, Mrs. Hope Wilson, Mrs. Madge Sutton, and Johnny and Ernie Wilson.

The next meeting will take place February 1 in the home of Mrs. Hope Wilson. Mrs. Ora Evans will present a demonstration of painting pictures with glitter.

New officers for the Home Demonstration Council were present at a meeting held in the Farm Bureau Building on Monday afternoon.

Mrs. D. L. Allison of Happy, is vice chairman, Mrs. Lewis Tucke chairman, and Mrs. Earl Reynolds, secretary.

Home Demonstration Group Hold First Meeting Of '63

The Home Demonstration Women met on Monday, Jan. 28, in the Farm Bureau building at 2 p.m. Twenty members including three officers were present to represent nine Home Demonstration Clubs.

The Pleasant View Club invited all members to attend a Dutch Treat Luncheon to be held at Wyatts Cafeteria on Feb. 27, at 11:45 a.m. A pro-

gram on mental illness will be presented by Mrs. Hill of the Child Guidance Clinic in Amarillo. The Pleasant View Club will provide a nursery at the Methodist Church in Canyon from 11 a.m. until 3 p.m. for those wishing to attend, but, as no lunch will be served, mothers are asked to feed the children before leaving them at the nursery.

In the absence of the chairman, Mrs. Roy Henderson, the THDA report was given by Mrs. R. A. Hodges. Delegates to the District meeting, and nominees for THDA chairman will be voted on after the February meeting.

It was announced that council chairman, Mrs. Lewis Tucke, THDA chairman, Mrs. Henderson, and Agent, Miss Sally Fields will attend a District Training and Planning meeting in Panhandle on February 5.

The District meeting will be held in Friona on April 11, with Mrs. L. H. Parker, representative to the State Board as the featured speaker.

The 1963 State meeting has been set for September 18 and 19 at the Granada Hotel in San Angelo, with the national convention to be held in Little Rock, Arkansas on October 21-24.

The wedding will take place on February 20 in Saint Mary's Catholic Church in Umbarger,

Palo Duro Rusk Holds Meeting

The Palo Duro Rusk Home Demonstration Club met on Jan. 22 in the home of Mrs. Henry F. Miller. Mrs. Bill Wilson spoke on "Citizens Rights in Traffic Court."

Refreshments were served to ten members and two guests Mrs. Gladys Marshall and Mrs. E. A. Michael.

Mrs. Dean Phillips will entertain at the next meeting to be held on Feb. 12.

Sue Hite Club Has Meeting To Honor Past Presidents

Members of the Sue Hite Club met in the home of Mrs. Clay Cooper at 418 Thompson Lane on January 28 in a meeting that honored the past presidents of the club.

Mrs. T. V. Crouse delivered the invocation, and featured speaker on the topics "Colleges No Longer in Existence" and "West Texas State College" was Dr. J. A. Hill. Dr. Hill is President Emeritus of West Texas State, and an author of renown.

Hostesses for the meeting were members of the Hospitality committee who are Mrs.

Miss Linda Jean Troutman was her sister's maid of honor. She was attired in a light blue peau de soie sheath with a matching overskirt and self-belt at the waistline. She wore matching pill box hat and accessories and carried a colonial nosegay of white carnations circled by blue maline net and blue ribbon loops.

Mrs. Joel Lummus, sister of the bride, was matron of honor and bridesmaids were Miss Charlotte Marshall of Cactus, and Miss Darlyne Morris of Earth. All were dressed identically to the maid of honor and carried matching bouquets.

Karen Lummus, niece of the bride served as flower girl. She wore a dress of light blue silk organza with matching accessories. Ring bearer was Eddie Troutman, brother of the bride.

Best man was Donald Gene Eppinette, brother of the groom. Groomsmen were: Jerry Richardson of Canyon, Jim Denny of Borger, and Benny George of Spearman. Ushers were: Frank Thrasher of Matador, Jerry Stubblefield of McLean, and Loel Lummus.

Mrs. Troutman, mother of the bride, was attired in a royal blue silk shantung with matching hat and accessories. Mrs. Porter, mother of the groom, chose a navy blue silk linen with matching hat and accessories. Each mother wore a gardenia corsage.

The couple was honored with a reception in the church parlor. Diana Harbert played piano selections during the reception. Linda Robinson registered the guests.

The bride's table was covered with a Battenburg lace cloth centered with a memory candle surrounded by the attendants bouquets.

Also from West Texas State College: Misses Linda Campbell, Darlyne Morris, Kay Pettigrew, Carolyn Gray, Sandra Kimbrough, Donna Williams, Liz Whitehead, Gloria Reynolds, Julie Cleveland, Vickie Weaver, Linda Kay Murray, Vivienne Andrews, Milla Beth VanDever, Linda Robinson, and Karen Beth Guerry.

Betty Ann Troutman Marries Quinton Eppinette In Dumas

The three-tiered wedding cake was iced in white and decorated with blue roses and topped with a miniature bride and groom. Placed at one end of the table was the crystal punch bowl. The napkins were white with "Betty Ann and Quinton, January 25" written in silver.

Assisting with the reception were: Karen Beth Guerry of Lubbock, Linda Campbell of Lakeview, Linda Kay Murray of Midland, Liz Whitehead, Agatha Potts and Mrs. Gary Parker.

For a short wedding trip to Ruidosa New Mexico the bride chose a light blue wool suit, navy patent shoes, white hat and jewelry. The couple will make their home in Canyon where they are attending college at WT.

They are 1960 graduates of Dumas High School. The bride is a senior at West Texas State College. She is majoring in elementary education and is a member of the Chi Omega National Sorority.

The groom is a junior at West Texas State College and is majoring in Industrial Arts. He is a member of the WT football team.

Members of the wedding party were honored with a rehearsal dinner Thursday night, in the home of Mr. and Mrs. Carl Troutman, 101 Bellaire, with Mr. and Mrs. Doyle Porter, co-hostesses.

Several pre-nuptial courtesies were extended to the bride. She was honored with a miscellaneous shower at the home of Mrs. C. C. Burnett and a personal shower in the home of Kay Vick with Char Marshall as co-hostess. Her Chi Omega sisters feted the bride-elect with a kitchen shower.

Around The Town

The Ted Cragers have really been making an attempt to avoid the mid-winter doldrums with out-of-town trips. Last week-end they and the Gerald Hemphills went to Clovis, New Mexico, and on Tuesday of this week, the Cragers left for Houston to attend the Texas Music Educators' Assoc. Convention.

Also attending the TMEA convention from here are Lee Boyd Montgomery and John Brantley. John will play the French horn in the all state band. Mike Berry who attends West Texas State is president of the College Division of TMEA and already in Houston.

The Burney Slacks have returned to Canyon from a trip to Garland, Texas, where they visited son Harrell, and his family. Harrell is Minister of Music at the First Baptist Church in Garland, and has been invited to join the Japan Crusade of Baptist ministers which will take place this spring.

Janie Jarrett came home from Trinity to visit with her parents and brought autumate, Tinker Taylor from Nashville, Tenn.

H. R. Fulton was a featured speaker on the program at the Florist Convention in San Antonio last week. Following the Convention, he and others went to New Mexico to fish and when the weather froze them out, they ceded up fishing in the Texas Gulf.

The Ples Harpers have the sixteen year old grand son of Peruvian friends as a house guest for the next two months.

Mrs. Donnie Collins was honored with a surprise birthday party last week in her home. Friends and neighbors called at her home at seven in the evening bringing refreshments. During the evening, her daughter and her family who live in Indiana called to say "Happy Birthday."

Judy Wilson and her parents, the Wm. R. Wilsons, had as guests this week, Larry Miller of Norman, Okla., and Bob Benzen of Lufkin, Colo., both of whom are students at the University of Oklahoma.

Jeannette's sister, Mamie Schaefer, has moved to Canyon from Wichita Falls where she was employed at Sheppard Air Force Base. She will work at Amarillo Air Force Base now, in the office of Civilian Pay.

We understand that the ski slopes at Ruidosa were most crowded this weekend. A group from Canyon that included the Don Standleys, the Don Briggs, the Joe Hoopers, the C. E. Thompsons, the George Blackwells, the Jerry LaGronees, the Gerald Dietzes, and the Gene McClassons, went to the Standley's cabin. There were so many others on the slopes that the men could only wield a camera as there were no skis left for the men to use. The only casualty was Lou Briggs who wrenched her knee in a collision with another skier.

Mrs. J. B. Combs had visitors this weekend from Amarillo. They were Mrs. and Mrs. T. B. Atkins and children, Kent and Carol Ann from Amarillo.

from Wichita Falls where she was employed at Sheppard Air Force Base. She will work at Amarillo Air Force Base now, in the office of Civilian Pay.

We understand that the ski slopes at Ruidosa were most crowded this weekend. A group from Canyon that included the Don Standleys, the Don Briggs, the Joe Hoopers, the C. E. Thompsons, the George Blackwells, the Jerry LaGronees, the Gerald Dietzes, and the Gene McClassons, went to the Standley's cabin. There were so many others on the slopes that the men could only wield a camera as there were no skis left for the men to use. The only casualty was Lou Briggs who wrenched her knee in a collision with another skier.

Mrs. J. B. Combs had visitors this weekend from Amarillo. They were Mrs. and Mrs. T. B. Atkins and children, Kent and Carol Ann from Amarillo.

Pack 131: Freedom was the theme for the monthly meeting of pack 131 held in the Methodist Church recently. The meeting was opened with a flag ceremony conducted by Den 1. Battle of The Alamo, a skit was presented by Den 3. Another skit Boston Tea Party, was given by Den 4.

Awards were presented to the following Bobcats: Gary Stipe, Roger Burton, Randy Woods, Gary McBride, Glenn Neal, Sammy Kerbel, Warren Witkowski, Mark Jordon, John Dillion and Chuck Bizzell.

The Wolf badge went to Larry Hendrickson and Billy Byrd. The closing ceremony "Meaning of The Flag" was given by Den 5. The best attendance banner was awarded to Den 7.

Den 1 recently went on a hike with Den Chief Robbie Upfold. (You just haven't been hiking until you go with a group of boys 8-11 years old, I know because I've been!)

Den 2 visited Freddy The Fireman T.V. Show last Thursday. Transportation was furnished by Mrs. Ratliff, Mrs. Thomas and Mrs. Lippold. The boys had a wonderful time according to reports.

Den 4 worked on the skit for the pack meeting. Refreshments were served by Mrs. Jess Rhoads.

Den 5 toured the fire station under the direction of Capt.

Wilson Talks

At HD Meeting

Randall County Justice of the Peace W. A. "Bill" Wilson gave a talk on "Your Rights In Traffic Court" recently at a meeting of the Canyon Home Demonstration Club.

The meeting was held in the home of Mrs. Jack Barnard. Randall County home demonstration agent Sally Fields accompanied Wilson to the meeting.

Mrs. Edwin Kuehn called the meeting to order with the roll call, "My First Traffic Fine." The majority of those present had never had more than an "over-time parking" violation, according to Mrs. Kuehn.

The club also voted to assist in the annual Mothers' March for Dimes on January 31 as their part in the Randall County March of Dimes Drive.

The club voted to contribute \$5 to the drive. Mrs. Marcus Adair accepted chairmanship for the project.

Mrs. Adair was welcomed as a new member and Mrs. L. K. Bolton was welcomed as a re-instated member. Mrs. J. A. Edwards requested associate membership.

Refreshments were served by Mrs. Jack Barnard to Wilson, Miss Sally Fields and Mesdames H. C. Adcock, Paul Bizzell, Earl Hadley, E. L. Hardaway, L. D. Hunnicutt, Edwin Kuehn, J. C. McClendon, O. V. Weldert, Bill Wilson, Marcus Adair, Bill Money, D. S. Owens and Jack Parsons.

The next meeting will be held on Feb. 1 in the home of Mrs. Paul Bizzell. The program will be "The Mind In Sickness and Health."

Rice. This group started whittling wood and learning knife care in their den meeting recently. Also flag courtesy is part of their program now. New Den Chief is Keith Stevens.

Den 6 got off to a slow start but seems to be making up for lost time now. The Den Mother is Mrs. Warren F. Neal, Den Chief Sam Brillhart, Denner Warren Witkowski and ass't. denner Randy Woods. Boys are Glenn Neal, Randy Woods, Sammy Kerbel, Gary McBride, Roger Burton, Kim Jordon, John Dillion and Warren Witkowski. The boys made a tour through the museum recently. They started learning knife care and whittling and made plans for their blue and gold banquet. Refreshments have been a bit and miss affair so far, but Roger Burton will bring them Monday.

Pack 97: The monthly pack meeting of boys and their families was held Jan. 24 in the First Baptist Church under the direction of Meade Michael, Cubmaster.

Highlight of the meeting was for four boys going from Cub Scouts to Boy Scouts. They are Bruce Currie, Ronnie Haver, Clay Michael and Harvey Risner. Mr. Meredith Warren and Joe Stevens welcomed the boys into the troops of their choice.

At the other end of the ladder, Cris Doss received his Bobcat pin—the first award in Cub Scouting. Wolf badge went to Kenny Grimes and Danny Davis. Arrow point to Johnny Christner. Bear badge to Johnny Barrett and Bynum Morris. Lion badge went to Jim Rusk, Mike Cook and Cody Jones. Arrow points to Mike Cook and Cody Jones. Mike Cook, received his Denner stripes and Danny Davis, ass't. denner stripe. Noble Cates and Kent Flynn got the 2 year perfect attendance bar. The 2 year pin went to Mike Swartzell, Charles Hamm and Bruce Currie.

Den 1 had a very enjoyable trip to Buffalo Lake last Thursday. Wildlife fowl were seen by the boys as they walked along the frozen lake shoreline. Bob Bullock served refreshments.

Den 2 made favors for the blue and gold banquet coming up soon. The boys went to a local cafe for refreshments furnished by Mrs. Cloward.

Den 3 rehearsed their part for the pack meeting.

Den 4 visited Freddy The Fireman last Monday. I bet

when Freddy has dreams it's colored by blue and gold, he sees so many scouts.

Den 5 opened with the flag ceremony. The boys rehear-

sed the song which they sang at the pack meeting, also made decorations for the banquet table. Larry Prichard served refreshments.

Den 6 made cards which they used to present "The Meaning of The Flag" at the pack meeting.

Pack 31: Den 2 made banquet favors at their Monday meeting. Refreshments by David Gidden.

Den 3 met in the home of Den Mother Mrs. Ray Tinsley recently. Boys in this den are Kelly Tinsley, Ricky McDowell, John Upshaw, Mike Hines, David Gatten, Andy Costly and Randall Burton.

Former presidents of the Sue Hite Club were honored with a club tea Monday at the home of Mrs. Clay Cooper, 418 Thompson Lane. They are, from left to right, Mrs. A. L. Walsh (1934-37), Mrs. W. T. Haggard (1951-53), Mrs. Levi Cole (1943-44), Mrs. D. M. Foster (1947-48) and (1954-55), Mrs. Rex Reeves (1953-54), Mrs. J. O. Parker (1955-57), Mrs. R. T. Phillips (1959-61), Mrs. A. H. Pritchard (1927-28) and (1957-59), Mrs. W. Mitchell Jones (1937-39) and Mrs. Virgil Henson (1945-47).

Prairie Wildlife

Have you ever wondered what it would be like to see thousands upon thousands of ducks and geese—all in one place?

We never tire of the sight. So when we were invited to fly over Buffalo Lake Wildlife Re-

fuge on a photography excursion—we didn't say no. You bet we didn't.

Flying over Buffalo Lake when more than 260,000 ducks and 18,000 geese are resident is really a pleasure for this old

crew.

In company with Bob Brown, manager of the refuge and Lake Black, Texas Game and Fish officer, we managed to get photographs of thousands of geese, ducks and even a few eagles—bald and golden.

Most interesting part of the trip was when flying over one of the open ice ponds—we were close witness to the predations of a golden eagle.

As we approached one of the ponds, a golden eagle came out of nowhere, swooping down across the ice—duck high—and flew right in the middle of a heavy concentration of geese and ducks.

Snow and Canadian geese mixed with several species of ducks flew in all directions—anywhere away from that big bird.

Old man eagle wasn't after just any loose goose or duck—no sir. He had one picked out way before he ever got there.

As the frightened geese exploded into the air like the bow wave of a speed boat, the eagle plowed straight after the one bird in the bunch that was directly in front of his talons.

The eagle was right down the goose's tail feathers and nearly had him—when up went the goose in what looked to be a backwards loop. The eagle must have been caught off guard because he went straight ahead the few yards and settled on the ice—all by himself. He had missed his supper.

That doesn't mean he didn't try again—you bet, judging from his performance with that one goose—we would imagine he doesn't catch many waterfowl—and then only the sick or slow ones.

Brown told us the photographs we took would help in accurately counting the resident waterfowl—as well as their species ratio—what kinds of birds were there and how many of each.

Last week in Prairie Wildlife we called Brown "The keeper of the birds." We meant it in a complimentary way—that boy knows his business.

As we said earlier—we start looking for Spring along about October. The sporting goods dealers aren't far behind. They have started advertising their boating equipment and camping supplies.

It won't be long before a true sportsman can really brave the cold and go fishing.

J. D. Byrd, Tom Lair, Joe

Stanley McDounough, Lake Black and Bob Brown—three hard working conservationists, pose in front of the plane they used Friday to take wildlife photographs from over Buffalo Lake

Wildlife Refuge. McDounough and Black are Texas Game and Fish officers and Brown is manager for the refuge.

D. White and Murphy White plus Richard Pruett took the bear by the teeth last week when they went to Falcon Reservoir down South Texas way.

Cold was the word they said. J. D. Byrd said they went to Falcon this time last year and camped out under sheets. "This time we used every blanket and sheet we could get ahold of," Byrd said.

But they caught fish—about 50 blacks the way we hear it. Richard Pruett latched onto a six and one quarter pound black bass—that's a thrill any day.

The Canyon sportsmen went down with two boats and fished the shore and bayous near El Tigre Creek on the American side.

Cold as it was—we think it will warm up soon. Let's go fishing.

We got a release from Vern Sanford recently—he is the head outdoor writer for the Texas Press Association whose offices are in Austin.

Sanford tells us that Twin Mountain Lake near San Angelo is fast becoming a hot bass fishing spot. The lake is a new one built by the Bureau of Reclamation for flood control.

The Texas Game and Fish Commission recently poured thousands of large mouth bass into the new lake. Since it has a good growth potential for blacks, it should really provide some good sport in the very near future. It might even take some of the use pressure off Buffalo.

Lake Nasworthy, also near San Angelo, is also coming along. By the time Canadian comes in we might have some

decent fishing in the upper part of West Texas and the Panhandle.

Since we go to press Wednesday afternoon, we couldn't include the results of the organizational meeting for the Canyon Sportsman's Club (a tentative name) held in the Randall County Junior Livestock Barn Wednesday night. We will give out with the facts next week.

As we said earlier, several local sportsmen felt there should be some organization of area sportsmen—if only to provide a medium for swapping lies and fish stories.

An active sportsman's club offers more than that—notably an organized group has a much more effective voice in their affairs than numerous individuals have by themselves.

The legislature, during the present session, is considering a bill to combine the Texas State Parks Board and the Texas Game and Fish Commission into one commission.

The bone in this pie is that present game and fish commission funds (your hunting and fishing fees) MIGHT be considered as a source of revenue for both organizations.

There are good points and bad points for the combination of the two agencies. We are giving out the information for what it is worth.

Whatever your personal feelings on the proposed merger—it will affect recreation in Texas and especially in the Panhandle.

We are personally keeping close tabs on developments. We

hear via the grape-vine that SCOT—Sportsmen Clubs of Texas—are giving the merger proposal a rather fishy eye.

We would be interested in your opinions on the proposal. If you are a member of the new Canyon Sportsman's Club, your opinion—and your voice could be heard all the way to Austin—and then some.

Youth To Lead Service

Young people of the First Presbyterian Church of Canyon will lead worship services at 11:00 a.m. February 3 in observance of Youth Sunday.

Leading the services will be Wam Moore, Alex deSchweinitz and Davis Price.

The Westminster Choir under the direction of Mrs. W. R. Wilson, the Junior Choir under the direction of Mrs. Sidney Burgess and the Primary Choir under the direction of Mrs. Bruce Winn will sing for the service.

Ushering and other responsibilities will be taken care of by the youth of the church.

The "All Church Study Program" will begin at 6:30 p.m. with a devotional service in the sanctuary.

The theme of this year's six Sunday evenings of study is "Know Your Church."

The purpose of the study program is to deepen understanding of the United Presbyterian Church, its history and its doctrines.

3 A.M. in a pharmacy...

It is 3 A.M. in a community pharmacy. The street is in darkness, yet lights are on in the pharmacy. Why? Because the pharmacist is faced with an emergency.

He received an urgent telephone call at 2:50 A.M. Mrs. Saxon, a sufferer from asthma, was having severe difficulty in breathing. Her husband told the pharmacist that she had run out of the medicine prescribed by her physician.

The pharmacist dressed quickly, rushed to his store, located the original prescription in his files, telephoned to Mrs. Saxon's physician, prepared and delivered the medication. Soon, Mrs. Saxon was breathing normally again, and a possible tragedy had been averted.

Such crises are frequent, yet your pharmacist meets them with speed and confidence as part of his complex professional duties. Today, a pharmacist goes to college for five years, spends many hundreds of hours in apprenticeship, and must pass a rigorous

state examination before he is licensed. He must stock thousands of dollars worth of health products you need every day—as well as those you may need only once in a lifetime.

It was not an isolated case where the Pharmacist took care of the Emergency situation at 3 a.m., but a plus service that "The Pharmacy" makes available to each and every Community member 365 days a year. Yes, "The Pharmacy", west side of the square, says, "We will be glad to get you out of bed to provide Prescription service for you and your family." Sickness is not regulated by hours or holidays—and as always "The Pharmacy" provides the best service available 8760 hours a year...

A door to a home can be as individual as a name. When you are ready to build or buy the home of your dreams, let us help you finance it. Why us? The reasons are many, but let's concentrate on the most significant ones:

First, we are specialists in home financing. By "specialists," we mean that we have a long and eminently successful history of home financing — a history that has taught us the ins and outs of the sometimes delicate mechanics of this important business. Second, we have a splendid working relationship with realtors, builders, architects, and other artisans of the construction world. We have built this professional partnership carefully and well. It benefits you. Third, we are justifiably proud of the speed with which we can process your home loan. This saves you money as well as anxiety. And fourth — well, we could go on, but why should we? You get the picture. If you want a fast, secure, conveniently financed home loan, see us soon, won't you?

Miners Trounce Buff Cagers Monday Night

Texas Western's sharp-shooting, high-jumping Miners eased to a 92-59 win over the West Texas State Buffaloes Monday night at the WT Field House with seemingly little effort.

Billed as the best basketball quarter in the state, including Southwest Conference teams, the Miners hit a fantastic 63 per cent of their shots while the home crew managed

46 per cent of their shots. A local product, Bobby Lesley of Hedley, did the most damage in scoring 24 points while connecting on 10 of 12 field goal attempts for an amazing 84 per cent.

Saturday night in the campus gymnasium, the Hardin-Simmons Cowboys will be trying for a sweep of the two-game series with West Texas. The Cowboys corralled the Buffs in their last meeting by 19 points at Abilene. Then, on Monday night, Abilene Christian College will try to even its series against WT after falling to the Buff cagers by two points in a last second affair at Abilene Jan. 18. The ACC Wildcats held a 14-point advantage deep into the second half until the Buffs caught fire and pulled the game out.

These two games will be the last home contests for the WT cagers until Feb. 25 when prolific-scoring Oklahoma City University provides the opposition in West Texas' last game of the season.

Previous to the WT-TW tilt, the McMurry Indians scalped the Buffs 88-76 on Saturday night at Canyon. McMurry completed its two-game sweep against the Buffs but had to wait until the last minutes to pull out its win.

The tall, tough Miners, coached by former Hedley mentor Don Haskins, dominated the game in every phase but found the going rough at times against the determined defensive-minded Buffs. TW held a 90-49 advantage with 3:57 remaining before the Buffs outscored the Miners 10-2 in the final four minutes.

Jim (Bad News) Barnes, TW's 6-8, 240 center, scored 16 points and pulled down a goodly share of rebounds before he was disqualified from the game after squaring off with West Texas' 6-0, 170 Keith Lowe while scrambling for a loose ball. Both players were ejected for unsportsmanlike conduct. Barnes is a junior college transfer who is being billed for All-America honors.

Nolan Richardson was almost as accurate as Lesley as he hit nine of 11 shots with his high-jumping fall away shots from outside the keyhole. Richardson who also plays football, stands a slight 6-0 but was observed knocking his elbow against the basketball rim.

The Miners ran their lead to 7-0 in the first three minutes of the game before the Buffs could connect. Steady playing and sure shooting advanced Texas Western to a 22-9 lead before Sonny Blankenship, 5-10 senior captain, hit four straight points. However, after Scottie Pierce's two foul shots, the Miners hit six straight on outside set shots and jumpers. TW hit five consecu-

tive points in the seconds before the halftime buzzer and led at the intermission 44-26.

While the Buffaloes were struggling along to sink nine points, the Miners ripped the nets for 22 and a 66-35 lead, with 12:10 left in the game. After seeing points back and forth, the Miners had just advanced five markers in the succeeding six minutes.

In the last quarter, the WT reserves did a good job on both defense and offense. Bill Bolk came into the game to score eight points and take down six rebounds. The biggest lead of the game came at 4:36 when TW led 88-47.

Canyon Participates In Borger Tournament

The Canyon Boxing Club participated in the Borger District Golden Gloves Tournament last week end.

Nine local boxers advanced to the finals Saturday night, with four winning championships in their respective divisions.

This was the last tournament of the year before the Regional tournament, and the last appearance of the year for the Pee Wee members of the squad.

Results from Saturday night finals were:

60 lbs. PeeWee-Johnny Ray Cameron, Canyon, decision over David White, Lefors.

65 lbs. PeeWee-Raymond Moore, Borger, decision over Mike Clement, Canyon.

80 lbs. PeeWee-Dennis Sanchez Borger, decision over Howard Wayne Clement, Canyon.

112 lbs. High School-Neal Thrasher, Canyon, scored a technical knock-out over John Medford, Borger.

126 lbs. High School-Don Clement, Canyon, decision over Junior Clement, Borger.

Buff Frosh Trip Tech

West Texas State's colorful Freshman team had three players score over 20 points in their morale-building 94-87 win over Texas Tech's Fish at the WT Field House in the prelude to the Buff varsity-Texas Western game.

David Shearod tallied 25 points with his accurate corner jump shots while Ronnie Norton and Marvin Mitchell followed closely behind with 23 points each. The team total was the highest for the Frosh all season as they ran their record to seven wins and four losses.

One of the team's earlier losses were to Tech's team at Lubbock and the margin of victory was in excess of 20 points. The dribbling Monday night marked the first defeat for the TT Fish all season. Tech stands at 7-1 but has been beaten by the Texas Tech varsity crew. In that game, the varsity had to rally to win by a slim margin.

Norton scored on an inside shot with four minutes gone in the first half to take the lead for keeps 8-7. The Frosh kept the Tech defense well-spread as Shearod pumped in the points from both corners and Mitchell scored on long jump shots from outside the keyhole.

Guard Joe McWilliams, 5-10, handled the situation when Tech decided to press the WT five. McWilliams dribbled through three players at a time and set up many points with his accurate passing and scored 10 in the process.

Brent Beckstead from Kirtland, N. Mex., scored 11 points and Randy Dowell 2 to cap the scoring for the six-man WT Frosh team. Guard Gail Simpson suited out for the game but didn't play on account of a swollen ankle.

Last Saturday night at Canyon, a group of ex-college players playing for Graham Plow edged by the Frosh 81-75. Composed of many ex-WT players, the Plowboys led by 12 points in the last quarter before the Frosh came to within five in the closing seconds.

Marvin Mitchell was the big man in the scoring column for WT with 28 points while three other players hit the double figures column. McWilliams tallied 13, Shearod 12, and Beckstead 10.

Norton and Mitchell left the game via the foul route in the last seconds and the six-man Frosh team played with four men on the court.

Tommy Triplett and Lloyd of Claude were Friday visitors of the Arvin Triplets.

As the final seconds ticked off, the two teams raced down the court to get the last shot. TW's Ernest Campbell was awarded a foul shot with :07 seconds left and missed with junior college All-American Ray DeBord snagging the rebound. DeBord raced down the court and let loose with a running set shot from near half court which swished the nets as the final buzzer sounded. DeBord received the loudest ovation of the game for his effort.

On Saturday night, McMurry utilized Preston Vice's 13 field goals and 33 point total to beat the Buffs 88-76. Scottie Pierce was the big gun for WT with 27 points. Pierce hit nine of 25 field goal attempts and sank all nine free shots for his total.

The Indians battled the Buffs on even terms through most of the first half with the score standing 30-26 with 5:43 left when TW led 88-47.

Eagles Top Of Heap In District 2 AA Cage Play

Canyon Eagles beat the ears out of Tulia Friday night at Tulia.

The Eagles whipped the Hornets to the tune of 58 to 47. The win placed the Eagles first in their class for the district championships.

Eagles coach Allen Simpson said it was a very close ball game with the Canyon Eagles out in front all the way. "Our biggest lead was at the end of the ball game when we led by 11 points," he said.

Top scorer in the Tulia game was again Bob Begert with 35 points. Don Breitling had 14 and Harry Lisle only two, but

Simpson said Lisle grabbed 11 rebounds from the Hornets. "He got 11 points in my book," Simpson said.

Eagles girls varsity lost again--61 to 41. Kaydean Barnard had 23 of the Canyon points. Simpson said that at

Golden Eagle Protected Under Federal Statutes

BY JIM THOMAS

The golden eagle was recently accorded practically the same protection as that provided our national emblem, the bald eagle, according to Bob Brown, refuge manager for Buffalo Lake Wildlife Refuge, west of Canyon.

Specific federal regulations designed to protect the golden eagle on virtually the same basis as America's national emblem, the bald eagle, were signed into law recently by President Kennedy, according to Brown.

The protection for the golden eagle comes under an amendment to the Bald Eagle Act of 1940.

Secretary of the Interior Stewart L. Udall recently said, "In addition to protecting golden eagles, bald eagles will also receive additional protection under the new law since they are often killed by persons mistaking them for golden eagles."

Brown said the new law prohibits the taking, possession or transportation of both bald and golden eagles or their parts, nests or eggs. He said exceptions are permitted under a strictly enforced permit system, allowing the capture or killing of golden eagles under special

circumstances.

Under the new regulations, the Secretary of the Interior may issue permits for the capture of bald or golden eagles alive; to collect their nests or eggs or to kill the birds, he said.

Also allowed under the permit system will be the possession and transportation of eagle carcasses, skins or mounted specimens for scientific or exhibition purposes of public museums, scientific societies or zoological parks.

Brown said that such permits will only be available when the capturing, killing or collecting of the big birds is compatible with the preservation of eagle populations.

When it is determined that eagles have become seriously injurious to wildlife, agricultural or other interests in any particular area, a permit may be issued by the Secretary of the Interior for the killing of the birds in that area, according to Brown.

He said the law requires the Secretary to authorize the taking of golden eagles for the seasonal protection of livestock when so requested by the governor of any state.

Killing of golden eagles to protect livestock or other property may be done only by the owner of the livestock being threatened or by his agents, Brown said. The use of poisons to kill eagles is prohibited, he said.

He said the new regulations will allow permits to be issued to Indians for taking golden or bald eagles for religious purposes, he said. No birds or their parts covered by such permits will be transferable except that they may be handed down from generation to generation in accordance with tribal customs, Brown said.

As a final comment, Brown said that golden eagles that were lawfully acquired before October 24, 1962, may be possessed or transported without a federal permit but may not be sold or traded.

Miss Sydney Mills, left, Tulia senior, is awarded the Sheffy-Anderson scholarship as "the outstanding senior history student at West Texas State College" by the two retired history professors the award honors. They are Dr. Hattie M. Anderson and Dr. L. F. Sheffy.

Spring Work Under Way At State Park

Buddy Hoskins, ranger and manager of Palo Duro Canyon State Park said Friday that Spring house cleaning in the park "...is now in full swing."

Hoskins said park employees have started repainting park buildings, repairing screen doors and windows on park restrooms, regrading eroded picnic and camping areas and repairing broken fire grills and tables.

"We also are transplanting cottonwood and elm trees from the Canyon to the park entrance to make the entrance more attractive," he said.

Hoskins said the park will also add a water fountain in the shaded rest area near the entrance for the convenience of park visitors.

Finishing touches on the horseback riding area, including the hanging of gates, are also being completed, Hoskins said.

All horseback riding in the park will be done in the new 300 acre horse area which is fenced for the protection of both the campers and picnickers and the horsemen.

Hoskins said park business should start picking up on weekends from now on until March when the hot weather rush really gets started.

"We have very high hopes of hitting 175,000 to 200,000 park visitors this next season," he said. Palo Duro Canyon State Park, the state's largest, hosted 160,000 visitors last year.

Attends Meeting

Mrs. Lawrence D. Hunnicutt, District 13 president of the Veterans of Foreign Wars Ladies Auxiliary attended the mid-winter roundup of that organization recently in Austin, Tex.

Mrs. Hunnicutt was accompanied by her mother, Mrs. Hazel Swink of Amarillo, Tex.

After the meeting in Austin, they went on to San Antonio to visit relatives, Mrs. Ione Davis and Mr. and Mrs. David Frazier.

Canyon High Seniors Take National Tests

Senior students in Canyon High School are participating in a nation-wide, eight-year study of academic prediction and growth, Larry Roberts, guidance director at Canyon High School announced recently.

Beginning on January 28, the Canyon High seniors will take the Preliminary Scholastic Aptitude Test and the College Board Achievement Tests in English and history, Roberts said.

Each senior student will also be given a Background and Experience Questionnaire. The questionnaire will ask the student about various environmental influences, how he spends his leisure time, how he feels about school subjects and what goals in life he has set for himself, he said.

An analysis of these factors may provide clues regarding the relationships between outside influences--such as television--and academic growth, according to Roberts.

He said the study is sponsored by the Educational Testing Service, Princeton, New Jersey and the College Entrance Examination Board, New York City, New York.

Roberts said approximately 6,000 senior students in the nation's public schools and senior students from 6 selected boys' college preparatory schools are participating in the program this year.

Last year approximately 40,000 students in grades 5, 7, 9 and 11 were given three kinds of tests: aptitude, achievement and general information.

These same students will be retested every two years until they reach the twelfth grade when they will be given the College Board Ability and Achievement tests, Roberts said.

Roberts added that schools participating in the national study were selected from four geographical regions of seven different types, each varying in size and in the proportion of students going on to college.

Canyon Man's Brother Dies

Jack Erie Roberts, 66, brother of Earle E. Roberts of Canyon, died at Excelsior Springs, Missouri, January 14, at the Veteran's Hospital. He was a resident of Heavener, Oklahoma.

Funeral services were held January 17 at Dowden Funeral Home in Heavener.

Officiating at the services was the Rev. Johnson Roberts assisted by the Rev. Sewell Farrell. Burial was in Springhill Cemetery.

Survivors other than the brother include a sister, Mrs. Lillian Faulkenberry of Turlock, California.

Parts Thieves Strike Canyon

Auto parts thieves hit Canyon again early Wednesday morning of last week.

Norman Rice, 2400 9th Avenue, reported that someone had stolen the radio, the spare tire and wheel, a jack and tire tool and a flashlight from his car which was parked in front of his residence.

Rice said the theft occurred sometime Wednesday morning between midnight and 6 a.m.

This makes the fifth case of theft of auto parts in Canyon since January 17. All parts in each case were stolen from Chevrolet automobiles parked on or at the edge of city streets. Several of the thefts occurred under street lights on 4th Avenue.

Both city and county police are investigating the series of thefts.

AROUND THE TOWN (with kids)

The president and representatives for the Student Council have been elected and are as follows: Mike Swartzell, president; Kathryn Ewing, representative for Mrs. Brasher's room; Mickey Ely, representative for Mr. Slack's room; Leslie Killingsworth, secretary and representative for Mrs. Holt's room; and this columnist, representative at large.

Lisa Swartzell had a birthday party Monday, January 7. She was four years old and at the end of the party most of the children were sitting on the floor watching cartoons.

The first Student Council meeting was held January 22. Some of the decisions made are that Mickey Ely and Tolbert Wade will raise the flag each morning. The police department gave the school two police helmets for the patrolmen to wear. They will be painted yellow. A discussion about cleaning up the school ground was brought up and Mr. Hinger said that it would be good to get some fourth grade students to clean up the play area.

RIDDLE

This riddle is sort of late but I think it's kind of cute. What was Santa Claus doing in the garden?

Answer to the last riddle: 10 plus 10 equals 20 so 11 plus 11 equals 22 (twenty too!)

Roy Harp from Ingleswood, Cal., was a visitor for several days in the home of his brother and family, the Bill Harps. Roy is an annual visitor here and every time he comes, we seem to be in the middle of a storm! Since he is a native of this part of the country, we don't consider him a bad source of information on our weather. He knows that this is the "Golden Spread!"

Hate to hear that twins, Dwayn and Wayne Mebane are in St. Anthony's Hospital. Hope both of you are feeling well real soon!

Mrs. Evert Johnson was "acting leader" for the Intermediate Girl Scouts out here Friday when their leader, Mrs. Jerry Hays couldn't attend the meeting. The girls worked on their "Nose Bag" dramatics. Thank you, Mrs. Johnson, for your participation!

These hand tools can be tricky little gadgets at times. Mr. Lynn Bennett had an electric hand drill slip on him while refinishing an antique chair. Injury was fairly slight as it caught him on only one finger that required doctors office treatment but still it must have been very painful.

Janie Malone was hospitalized at St. Anthony's Hospital for about three days last week for a case of dermatitis. Understand she is back in school now though she is still continuing treatment at home.

May we extend an expression of sympathy to Mr. and Mrs. J. C. Duling, 7500 Western, for the loss of their son, R. C. Duling of Amarillo.

Mrs. Everett Johnson has been very ill this past week with the flu. Hope you are feeling better very soon, Beal!

Little Tommy and Cathy Detten have been ill lately too.

Both have been fighting bouts with sore throats.

Lost another building in our area due to fire last Tuesday night. This time it was a metal building on McCormick road that housed an industrial manufacturing firm.

Understand Mrs. Merl Tennyson is having to have quite a bit of dental work done. Know it must really be an ordeal to go through, but hope you are feeling perk real soon, Mrs. Tennyson!

Kenny Worsham has enrolled in a reading school at Amarillo College to prepare for his future college work. The purpose of the program, "How to Read Better and Faster" is to increase the reading ability. Kenny is a senior at Canyon High School.

Bette Bennett, daughter of Mr. and Mrs. Lynn Bennett, flew home from Austin last Friday and will get to stay for six days until classes start again at the University of Texas. Bette is a junior at the University.

Mrs. Bill Harp was entertained Saturday night with a surprise stork shower in the home of Mr. and Mrs. Charles Fowlkes on Tyndale Lane. Hostesses were Mrs. Ray Cates, Mrs. Ted Walker, Mrs. Guy Bufkin, and Mrs. Paul Miller. Mrs. Walker presided at the coffee service and refreshments were served to 13 guests from Canyon and Amarillo.

Lucky Beavers Hold Meeting

Lucky Beavers 4-H Club saw a film called Forest Rangers Monday night at their regular meeting.

Refreshments were served to the group in the home of Mr. and Mrs. Jim Murphy where the meeting was held.

Those attending the 4-H Club meeting were Mike Dudenhoeffer, Linda Dudenhoeffer, Bob Gruner, Cindy Gruner, Alan Fletcher, Phil Fletcher, Kay Parker, Roger Johnson, Calvin Yarbrough, Gary Hester, Kelly Murphy, David Erwin, Steve Turpin, Cliff Carroll, Mike Blanton, Pat Blanton, Cornell Carroll, Johnny Burrell, David Burrell and Becky Carroll.

Additional members present at the Lucky Beavers 4-H Club meeting last week were Wesley Cox, Judy Boehning, Martha Sykes, Jo Kieth Wise and the adult leader, Mrs. Boehning. Canyon News failed to list them as present in the Jan. 17 issue.

LEGAL NOTICES

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas--GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS TO: Edith Maley, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 25th day of February A.D. 1963, to Plaintiff's Petition filed in said court, on the 9th day of January A. D. 1963, in this cause numbered 5862 on the docket of said court and styled Morris Maley, Plaintiff, vs. Edith Maley, Defendant.

A brief statement of the nature of this suit is as follows to-wit: Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Randall County, Texas, this the 15th day of January A.D. 1963.

Attest: Mavis Hill Clerk, 47

The Hales Angus was shown at the recent Amarillo Fat Stock Show, competing against some 300 other steers from all parts of Texas. "Big John" placed 8th in his class.

On January 26, the Hales grand champion was shown at the Southwestern Livestock Exposition and Fat Livestock Show in Ft. Worth, Texas. "Big John" placed 12th in his class at this show after competing against some 66 steers entered from all over the Southwest.

Chester Hales at this writing is still in Ft. Worth awaiting the end of the show auction in which selected winners of the show cattle and stock will be sold.

MOD Bowling Reaches Half Way Point

Randall County March of Dimes Bowling Tournament at Canyon Bowl has reached the half-way mark in team competitions.

First and second place team winners from the first half will play winners from the second half for the final winners.

Randall Motors of the College League won first place in the first half. Second place started out in a tie between West Texas Bronchoes and Bu-

Miners. . .

(Continued From Page 7)

In the first half, the two teams traded tallies till Bill Bolk connected for a three-point play with 1:29 remaining for a 39-34 deficit. McMurry scored seven straight and led at half-time 46-36.

Scottie Pierce hit a field goal in the opening seconds of the second half but the Indians countered with a run of eight points and a lead of 16. Blankenship and Pierce hit four markers within 14 seconds for a comeback which proved futile.

Blankenship hit again at 6:24 in the second stanza to pull West Texas within reach once again 70-61. Within the ensuing two minutes, however, the pressing Buffs committed four fouls and the Indians tallied nine straight points to fall behind 18 points never to recover.

Coldness from the field hurt the Buffaloes as they hit a mere 24 shots after shooting 74 times. WT's percentage of 32 didn't come close to McMurry's 48 per cent. The Indians hit 27 of 56. Formerly a sore spot in the Buffs games, free throw shooting was at its best as WT hit 78 per cent.

Mothers. . .

(Continued From Page 1)

Profits from the bowling tournament will go to the drive. Mothers of Canyon on their Mother's march will solicit contributions from townspeople who have been missed by the other parts of the drive.

Auxiliary Visits

Members of the VFW Auxiliary of Canyon visited the Hereford, Texas VFW Auxiliary recently.

The group ate a salad supper before the business meeting. The supper was furnished by the Hereford auxiliary.

During the business meeting, district president Mrs. Lawrence D. Hunnicutt installed two district officers--Mrs. Johnny McBroom of Canyon as district secretary-treasurer and Mrs. Nola Ralston of Hereford as District Chaplin.

Mrs. Hunnicutt also gave a report on the VFW auxiliary mid-winter roundup in Austin.

Canyon members making the trip to Hereford were Mesdames Tommy Hunter, Viola Russell, John Hardaway, Leroy Boehning, C. C. Stephens, Johnny McBroom, L. D. Hunnicutt and Doug Louder.

ffalo Book Store. The Bronchoes took the second place win.

The Businessmen's League was a close race with a three way tie through the first night of competitions. Griffin's Truck Stop came out on top with Graham's Grocery and Bill's Barber Shop tied for second place. A playoff between the two teams will be played at a later date.

In the college intramurals, the Red Rebels won out over the ATO Gold team by one game.

As of Tuesday, the Tuesday night Ladie's League was led by Bellah's Super Market. They lead by 8 1/2 games over second place Buffalo Food and Drugs.

Other competitors in the Tuesday night Ladie's League are Modern Cleaners in third place, Canyon Glass and Trim in 4th, T. A. Black Dry Goods at 5th, Thompson's of Canyon at 6th, Christopher & Vaughan Real Estate at 7th, White Auto at 8th, Dodson Radio and Television at 9th and KVPH Radio station at 10th.

The Wednesday morning Ladie's League is led by the Bill Be's with the Can't Help Its in second place. Bowlers for this league are needed.

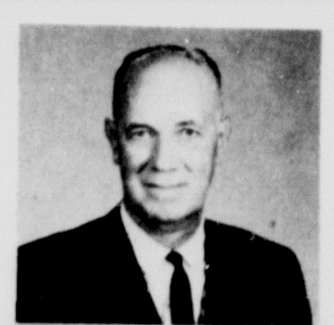

The Mixed Up League on Wednesday night ended with team #7 in first place and Johnny's Texaco second. This league is still in need of sponsors for the second half.

Observers said the Canyon City League was quite a battle with Zac's Humble coming out on top. A close second place was taken by Bill Sternberg Lumber with Randall County Abstract in third place.

Canyon Glass and Trim came out on top in Friday night Mixed League competitions with Crow's Grocery in second place. There is an opening in this league for a complete team of two men and two women.

The Bantam and Junior Leagues have begun their second half but they are in need of more young boys and girls to fill out the competitions.

Canyon Bowl manager Eddie Knowles urges Canyonites to bring the youngsters out for the March of Dimes Bowling Tournament. Babysitters will be available at the Canyon Bowl on Saturday morning, he said.

Martin said that all funds raised from the television appeal will be deposited in an Amarillo bank and will be used to treat only patients from the Panhandle area.

At the present time there are 6 physically handicapped Panhandle citizens who are being treated at the center, he said.

He added that there have been 45 people from this area who have been treated at the center since 1956 for their physical disabilities. The center has spent a total of \$123,000 on their care, he said.

City Agrees On Ponderosa Participation

Canyon city commission recently agreed to participate in paving of intersections, alleys and engineering at Ponderosa Addition.

The development is being readied just south of the Canyon city limits and will be taken into the city at an early date.

one time in the game the Canyon girls were only 3 points behind the Hornets but that two of the Canyon guards fouled out during the closing stages of the last quarter, hampering the Eagles defense.

Tuesday night the Canyon Eagles lengthened their lead and got a stronger hold on first place in the 2AA district competitions when they whipped the Floydada Whirlwinds to the score of 71 to 57.

Eagles coach Allen Simpson said this was a very important game for the Eagles. He said that it was an away game and that it made up for the near squeak three weeks ago when the Eagles beat the Whirlwinds by only 5 points.

The win over Floydada gives the Eagles a five win--no loss district record.

Bob Begert came home with the bacon again when he scored 35 of the 71 Eagle points. Simpson said, "Begert was tremendous on the boards with 15 rebounds to his credit." Thirty-five points is creditable too. Simpson said he thought the rest of the team did a really good job. "They played a good ball game," he said.

Dr. Boswell signed over the thousand dollar check to the Opportunity Plan late Wednesday afternoon. It was received by T. A. Black, another of the board members of the Opportunity Plan.

The Eagles girls varsity lost this one for their fifth loss in district play for this season. Final score was 52 to 49. Kaydean Barnard again led the scoring for her team with 35 of the Canyon girls' points. Simpson said that Floydada played a girl who has been averaging 43 points per district game. He said that Canyon's Cynthia Gerald held the Floydada girl to 28 points.

By MRS. J. W. WESLEY

Those enjoying "88" in the G. E. Wesley home Sunday evening were Mr. Ed Turner, Mrs. Ella Hext, Mr. and Mrs. J. W. Wesley and the host and hostess.

Mr. and Mrs. J. W. Wesley were in Happy Monday where they visited Mrs. Annie Read who was ill. Mrs. Wrenn visited there in the afternoon.

Johnny Bird, nephew of Mrs. Read, visited his aunt while his parents, Mr. and Mrs. Earl Bird worked at the elevator in Happy.

Rites were held Monday in Ft. Collins, Colo., for Mrs. Glenn Sawl and her young son, Mrs. Saul was the daughter-in-law of Mr. and Mrs. Doyle Sawl and was the former Nell Miller, sister of Rose Wesley. The Sawls were involved in an automobile accident Friday when the car, driven by the Rev. Glenn Sawl, skidded on the ice. The Rev. Sawl was not injured.

Mr. and Mrs. G. E. Wesley were in Tulsa Monday on business.

Mrs. Edna Wilson has been ill with a severe cold.

Austin Roberts, son of James and the late Mrs. Willie Roberts has been appointed a member of the senate in Santa Fe, N.Mex. He is the nephew of Mrs. G. E. Wesley and Mrs. J. W. Wesley. David, 15-year-old son of Mr. and Mrs. Orville Roberts of Albuquerque, was appointed a page in the Capitol at Santa Fe and will move to Santa Fe for the next 3 months to attend school while the legislature is in session. He is the grand nephew of Mrs. J. W. Wesley and Mrs. G. E. Wesley.

Mrs. Woodrow Wesley is in Nebbett Hospital recovering from surgery. She is doing fine.

Gloria Marsha Nathan and Vick Sullivan visited from Friday until Sunday with Mr. and Mrs. J. W. Wesley. The Rev. John Sullivan and family also visited at noon with the J. W. Wesleys.

J. W. Wesley and the Rev. John Sullivan visited Sunday with G. E. Wesley, who has been ill the past week.

Woodrow Wesley enjoyed lunch with Mr. and Mrs. John Patterson Sunday.

DELAYED
We have had another cold week. Temperatures dropped as low as 10 degrees below zero Friday night with very little moisture.

Bowie Wesley, a student at Levelland Junior College, was home recently visiting with his parents, Mr. and Mrs. Woodrow Wesley. Bowie and C. R. Wesley

participated in the rodeo activities in Amarillo Saturday and Sunday.

Mr. and Mrs. G. E. Wesley were in Amarillo recently on business.

Opal Poston, daughter of Charles Sutton, is to undergo surgery soon.

Mr. and Mrs. J. W. Wesley and Mr. and Mrs. G. E. Wesley attended the basketball games at Laybuddie Friday for the game between Laybuddie and Happy. Both the girls' and the boys' teams won.

Ora Evans and Letah Patterson visited recently with Mrs. J. W. Wesley.

Richard Evans checked his crops last week, in Adrian.

Mrs. Edna Wilson has been ill for several days.

Hope Wilson and Ora Evans were Tulsa shoppers last week.

We were unable to have church service last week because of cold weather.

The Rafor Shipman family helped Eddie Wilson celebrate his eighth birthday last Thursday evening. He and his guests enjoyed cake and ice cream.

Tragedy struck the Hardaman family again when Mr. and Mrs.

George Hardaman were found dead in their home. Their son, Gene, was killed late in November in a car wreck. Gene was the husband of the former Maxine Barnard, granddaughter of the Charles Suttons.

It really has been cold and disagreeable--16 below zero two nights, motor vehicles were too cold to crank, and frozen water pipes were common--but luckily, no fires were reported. It was the coldest spell we have had since February, 1933.

There were no church services here because of the cold and the frozen motors.

Mr. and Mrs. Ervin Wilson had a fire in their cook stove when the oven exploded and one burner caught fire. Mrs. Wilson had the presence of mind to cut off the gas supply and put out the fire. The kitchen was badly smoked.

J. W. Wesley lost two cows during the storm with wheat poisoning. Both had baby calves.

Mr. and Mrs. G. E. Wesley were in Amarillo Tuesday on business.

Mrs. Inez Shipman recently received a letter from her uncle, Jim Roberts, of Albuquerque, New Mexico. He is able to be up and around the hospital and watch TV, but will have to remain there two or three more months.

Frank Rogers visited a short time Thursday with Mr. and Mrs. G. E. Wesley.

So much has been written in the past few years about color. Almost everyone has voiced an opinion on the effect that color brings to your "state of mind" or how it just effects your mood in general.

Now is the time that most housewives become very alert about their home decorating and their wardrobe. Color, the most vital thing to consider, plays a heavy part. Men, too, are very color conscious. They sometimes pretend they are not, but just watch them pick out a new car, and you are bound to hear quite a few comments.

But now, before "yard work weather," it is a lovely time to go through each room of your house and try to think up new ways to make it the most beautiful room possible.

In Seventeen Magazine there appears a Decorator's Notebook that offers some easy ideas to help you get started with color. It is titled "Find Your True

Colors."

"Decorating starts when you pick a color, but not just any color. The right one makes your room a dream; the wrong one can turn it into an explosion in a tutti-frutti canyery. First step in adding a new hue to your room is to discover what you like. (Good clue: a shade you're fond of wearing.)

Or try window shopping. As you wander down a street, choose any item--book, dress, pillow--that you like instantly in each window you pass. Not its color. At the end of your walk, see which colors charmed you the most. Then ask a paint dealer for a few little paper samples (called paint chips) of these and colors already in the room; juggle them about until you have a combination that you really love.

A little wizardry is fun. Different colors, and even black and white, can fool the eye. Light shades enlarge things; dark ones whittle them down, which explains why pale walls expand a room and dark ones close it in; why a dark spread can trim an enormous bed to size. Warm, bright colors (sunny oranges, fiery reds) make us feel warm and are good choices for chilly rooms; cool, subdued hues (the greens and blues of lake and sky) do the reverse, help turn off the heat in stuffy spots.

Personality enters the picture. Red is jazzy, appeals to outgoing types, while blue suits the quieter person who prefer a little mood music for a nightly lullaby. Yellow, some say is the egghead's first choice, and unrelieved gray, as you might imagine, makes anyone glum. Well, at any rate, this just might start you off on that spring decorating, which can be fun! (And expensive!)

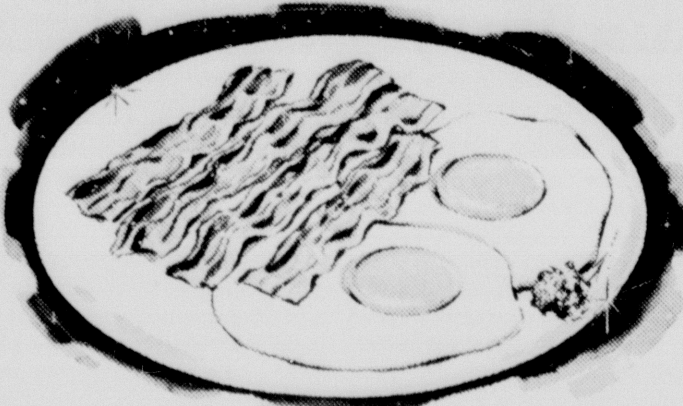

Here's an interesting item from New York (UPI)--The number of visitors expected at the New York World's Fair in 1964-65 is the rough equivalent of the combined population of Chicago, Philadelphia, San Francisco, Los Angeles, Detroit, Pittsburgh, St. Louis, Cleveland, Seattle, Dallas, Atlanta, Boston, London, Paris, Moscow, Hong Kong, Rome, Leopoldville, Brussels, Dublin, Glasgow and the countries of Greece, the Netherlands, Norway, Austria, Sweden and Denmark. That's about 70 million.

A new art form seems to have pushed abstract art off the top of the "popular" artist list. We now have something called "pop" art. Be sure to watch for it. Such things as six-foot high life-like things called "reality". Can goods, sodas, people-size golfballs, and many other zany paintings are on exhibit now in New York. Seems to be all the rage with critics and collectors!
